

FORECOURT CATALOGUE

McCowan Forecourt

Maximizing space, ensuring security and displaying products in an exterior or forecourt area can be challenging for C-Store & Gas Bar retailers.

McCowan offers a wide range of attractive and durable forecourt products that maximize the use of space, are easy to maintain, are secure and provide easy access to merchandise and services.

Benefits include:

- Waste disposal units, windshield service units, windshield & washer fluid/oil merchandisers are functional, heavy duty, weather resistant, flexible and secure
- Fabricated from high quality, UV and temperature resistant resin to prevent fading
- Doors are designed to prevent jamming caused by ice
- Units are designed to combat the effects of water and salt by using high quality stainless steel and stain-coated metal and finished with a durable powder coat
- Offered in a variety of colours and sizes
- Large removable liners and lids are constructed to minimize contact with the unit. Paper towels dispense easily
